

Welcome!

We think that you have made the best choice for child care here at Hartzell Mt. Zion (HMZ) United Methodist Church (UMC). We strive to have a caring, friendly, academic environment for your child to have success in the classroom. We're not a babysitter, but a caring environment which encourages academic excellence.

Whole Child Care

We are blessed with the building blocks for success. Your child will feel right at home. Our classrooms have been designed for your child's success in the classroom and at home.

Our Classrooms

Here at Hartzell Mt. Zion, we have classrooms to address the needs of children. Students attending our child care program begin their morning with a parent approved breakfast, and return in the evening with a snack. Following the snack period, it's off to the **Homework** room. The Homework room is equipped with computers so students can access their academic resources. If the student is tired, they may go and take a nap in the **Nap** room. Or, visit the **Game/Arts & Crafts** room, or sit in for the latest movie in the **Movie** room. All parents will have a weekly report which will include the upcoming movies for the next week. **Basketball** is available after 5:00 pm.

Admission/Discipline

Hartzell Mt. Zion UMC Before and After Care Program is available to **any** students attending Cypress Cove Elementary, Honey Island Elementary, and Little Oak Middle School. Transportation to/from HMZ will be provided by St. Tammany Parish School Bus. Students will board the bus at HMZ, and return to HMZ in the evening.

Students are expected to maintain the behavior which is deemed appropriate in a classroom setting with respect and kindness. Three write ups for inappropriate behavior may warrant dismissal from the program. The Program Director will meet with a parent following the first incident.

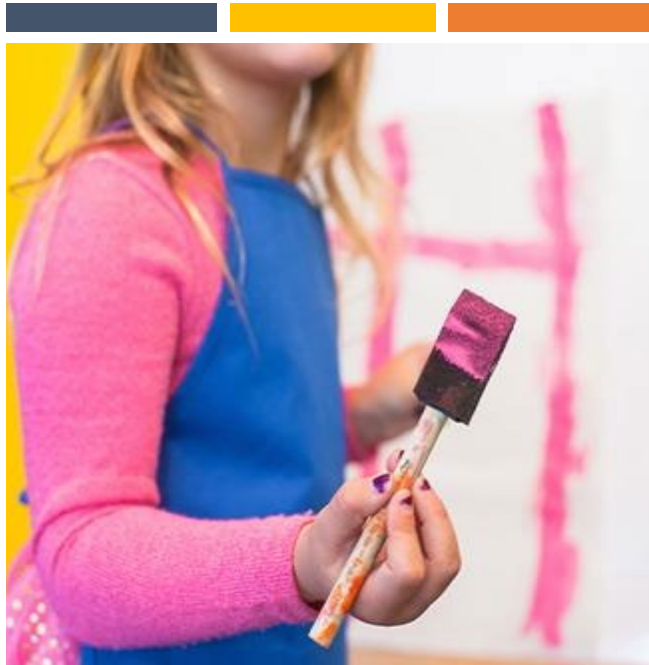

We provide a Christian environment filled with love.

“A better approach to academic success.”

Our Staff

All of our staffers are carefully screened with a background check prior to employment. Most will have an Associate Degree or higher. All are trained in CPR, First Aid, and Health Safety.

Tutoring

We will work with Northshore High School’s Key Club to tutor students that may need a little help with their academic subjects. Students are asked to have their classwork/ homework sheets for the week and to have access to their classroom books.

Members of HMZ
